

Rewards Beyond Your Paycheck

Summary of 2024 NC Health Benefits

The financial rewards of working for UNC Health go far beyond a paycheck. There is another significant source of financial value - teammate benefits.

UNC Health for Me is UNC Health's commitment to teammates from **recruitment to retirement** that includes ways we welcome, engage, develop, care for, include and value our teammates. It is designed to support our teammates, both personally and professionally, throughout their journey with UNC Health. Here's what that means for you when you join our

 **One Great Team.**

Welcome *Me*

We are dedicated to creating a positive, inclusive and memorable experience for candidates and new teammates throughout the hiring process and beyond, setting the tone for how teammates begin their journey at UNC Health.

On your first day, you'll learn many of the things you need to know to perform your job well. The first step is **New Teammate Orientation**, a series of modules on topics like our history, mission, vision, values, Carolina Care and more. You'll complete this training virtually and get started on required compliance coursework to help set you up for success.

Engage *Me*

We nurture a sense of belonging and a strong cultural identity that makes teammates feel connected and cared for as part of our One Great Team.

Our array of teammate activities and programs empower us to celebrate achievements (**#Value Superstars**), recognize contributions (**High Five** and **People are Everything**), provide mentoring opportunities and conduct and respond to teammate experience surveys. We also offer **engagement opportunities** for teammates looking for ways to have greater impact in the communities where we live and work. Our **Working Forward** initiative reimagines how, where and when we work, with hybrid and virtual options for eligible teammates.

Develop *Me*

To deliver excellent Carolina Care, we take care of our teammates first by creating a culture where they can thrive. To Lead the Way, we focus on our teammates' growth, development and overall experience, professionally and personally.

That means we offer **professional development courses** for every stage and level of your career, and our **tuition reimbursement** and **tuition waiver program** offer educational assistance to provide financial support to teammates that wish to further their education.

Care for *Me*

UNC Health is supportive of teammates' goals, both professional and personal; health & well-being, personal safety, respect and support are a priority.

That's why we offer a **comprehensive benefits package** that includes **two health plan options** with pharmacy benefits, as well as dental and vision options.

What's more, we provide an array of **health-related resources**, including:

- Well-being programs and toolkits
- Low-cost gym memberships
- Employee Assistance Program
- Paid parental leave
- PTO donations

Medical, dental, vision and pharmacy benefits are available to all full-time (non- temporary) and part-time teammates that are scheduled and regularly work 20 or more hours in a week.

Medical Coverage

We offer two medical coverage options, and both plans provide the maximum benefit when utilizing UNC Health providers. Participation in the PPO Plan is required to take advantage of additional executive benefits.

- **High Deductible Health Plan (HDHP) with Health Savings Account (HSA):** With lower premiums than the PPO Copay Plan, the HDHP includes an HSA to help pay for expenses such as deductibles.
- **PPO Copay Plan:** Copays for office visits and prescriptions; this plan has higher premiums than the HDHP.

Health Savings Account

A Health Savings Account (HSA) is available to teammates enrolled in the HDHP. An HSA is a personal savings account in your name with funds available to pay qualifying medical, dental and/or vision expenses. You own the account and always have control of the funds. In addition to the amount (right) that UNC Health will contribute to your HSA; you can also make pre-tax contributions.

UNC Health continues to build an equitable and inclusive community reflecting the teammates, patients and communities we serve.

An important step in building this culture is ensuring that we encourage and support our diverse voices. Teammates share their feedback with **equity and inclusion surveys** and connect through **unconscious bias and inclusive leader training**. Our **Employee Resource Groups (ERGs)** are voluntary, teammate-led groups to unite teammates with shared characteristics, life experiences or interests.

At UNC Health, the average value of benefits represents **35%** of a teammate's overall total compensation.

Many benefits are available to all teammates; others are available to those scheduled and regularly work 20 hours or more in a week. In addition to medical, dental, life and disability, UNC Health offers other benefits to help teammates balance their personal and professional lives.

We foster a culture where teammates feel valued, recognized and equitably compensated for their contributions, as well as rewarded when they demonstrate outstanding performance in their work.
